5th Allergy & Clinical Immunology Conference

Gulf Academy Conference on Allergy and Clinical Immunology

"Shaping Tomorrow's Care: Personalized Approaches in Allergy and Immunology"

 **FEBRUARY 7 - 8, 2026**  **ABU DHABI, UAE**

Welcome Message

Dear Friends and Esteemed Colleagues,

On behalf of the Organizing Committee, it gives me a great pleasure to invite you to attend the 5th Allergy and Clinical Immunology Conference, taking place in the vibrant city of Abu Dhabi, United Arab Emirates, on Saturday and Sunday, February 7–8, 2026.

This premier event is organized in collaboration with leading regional and international societies, including the:

- European Academy of Allergy and Clinical Immunology (EAACI)
- Global Allergy and Asthma Excellence Network (GA²LEN)
- Asia Pacific Association of Allergy, Asthma and Clinical Immunology (APAAACI)
- European Society for Immunodeficiencies (ESID)
- Gulf Academy of Allergy and Clinical Immunology (GA²CI)

Together, these esteemed organizations bring a wealth of global expertise and a shared commitment to advancing the fields of allergy and clinical immunology.

Conference Highlights

The scientific program is designed to deliver cutting-edge updates, foster cross-disciplinary dialogue, and support clinical excellence. Key topics will include:

- Advances in the diagnosis and management of respiratory allergies
- Clinical approaches to urticaria and angioedema
- A focus on inborn errors of immunity and primary immunodeficiency disorders
- Updates tailored for practicing primary care physicians and pediatricians in allergy and immunology
- Dermatology for allergists and immunologists: hot topics and practical insights
- The latest trends, innovations, and therapeutic strategies in allergy and immunology

Whether you are a clinician, researcher, academic, or trainee, this event offers a rich educational experience and a chance to shape the future of allergy and clinical immunology in our region and beyond.

We sincerely look forward to welcoming you to Abu Dhabi, a city known for its hospitality, cultural richness, and world-class infrastructure, for what promises to be an inspiring and impactful conference.

Warm regards,

Prof. Mohamed Abuzakouk, MD, PhD
Conference Chairman
On behalf of the Organizing Committee
